

BID ON COUNTY PROPERTY

To bid on County Owned Property, please come to our office with the Parcel Identification number of the property you would like to bid on. Place bid plus \$125.00 for advertising and \$56.00 for filing deed. You will get the customer copy of the receipt with the sale dates determined by the Treasurer's Office. The property will be advertised 3 times in the Muskogee Phoenix Newspaper. The person making the bid or a representative should be at the sale in case of other bidders. The sale goes to the highest bidder. The sale is cash only. If the original bidder does not win the sale, he/she will get a refund of all monies. If you have the winning bid, it will be sent before the County Commissioners at their next meeting to be approved. If the Commissioners approve the sale, we will take the deed, transcript of proceedings and affidavit of publication to the County Clerk's office to be filed. If the Commissioners do not approve the sale, the bidder will receive a refund of all monies except for advertising. When everything has been completed, you can pick up the deed or have it mailed.
